San Diego Symphony.

“Amazing Sound”

Allan McNicol - Chief Sound

Engineer for Disneyworld

STAYIN' ALIVE

The Bee Gees have been captivating audiences for more than five decades with their unique vocal sound, while remaining current through all the eras of contemporary music. Because of their distinct and blended harmonies, the brothers Barry, Robin, and Maurice Gibb have offered an impossible challenge to those who would pay them homage...until now. STAYIN' ALIVE with the vocal match of Tony Mattina, Todd Sharman and George Manz creates a realistic sense of hearing and experiencing the brothers' Gibb live in concert. STAYIN' ALIVE offers to their audiences the songs and sights of a full Bee Gees play list, singing blockbusters such as "Night Fever", "Jive Talkin'", "How Deep Is Your Love", "You Should be Dancing", "Nights on Broadway" and "Stayin' Alive". In addition, they perform softer poetic ballads such as "I Started a Joke", "Massachusetts", "Fanny be Tender", "Words", and "Love Somebody", among other great hits. STAYIN' ALIVE is the largest and most definitive production of its kind, offering big screen video clips, photos and dazzling imagery. STAYIN ALIVE has played intimate settings as a six piece band and huge venues with a 62 piece orchestra. STAYIN' ALIVE is the quintessential tribute band to the Bee Gees, capturing the excitement of live performance and the tender subtleties of the human voice!
